

Warm/Hot Asphalt Design & Maintenance

Description – The purpose of this workshop is to provide enough basic and practical knowledge about asphalt pavements to be able to make good decisions when roads are in need of rehabilitation, repair or maintenance. The workshop objectives are: (1) How to determine the types and causes of pavement distress; (2) Learn techniques, equipment and materials for effective crack sealing; and (3) Learn techniques, equipment and materials for effective asphalt patching and repair.

Registration Information – Registration can be completed online at: www.mdot.ms.gov/ltap/ or by completing the information below and submitting this form to the LTAP Team via email at ltap@mdot.ms.gov. **Registration is \$35. Lunch is not provided.** Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact the Mississippi LTAP Center prior to the course date so the appropriate arrangements can be made.

Who Should Attend? County, City, State and Township, street crew and supervisors, maintenance workers, and others with responsibility for maintaining paved roads. Elected officials are also invited to attend.

Instructor: Mr. Robert Hearn, P.E.

Time: 8:00a.m. – 4:00p.m.
